We are a National/International organization comprised of parents who have experienced the death of one or more, both or all of our twins (or higher multiples) at any time from conception through birth, infancy and childhood.

Aspens Angels: Grief Recovery Method Specialists: 1611 Alderson Ave., Billings, MT 59102. email: kira@aspensangels.life 406-694-8323. Fees apply, financial assistance may be available. This program provides support for those who have experienced a profound loss, any life-altering event. It is not specific to infant death or pregnancy loss but it has been helpful to families with that experience.

OTHER POSSIBLE SOURCES OF HELP:

- Local private counseling services and mental health centers, job related Employee Assistance Programs
- Local hospital patient and family services; Pastoral Care, Case Management, Family Practice
- Local funeral chapels with resource libraries
- Private Physicians (Family Practice, OB/Gyn, Pediatrics)
- Friends and Family members

RESOURCES ONLINE:

- Pregnancy and Infant Death Alliance: <http://www.PLIDA.org/>
- Still Standing Magazine: <https://stillstandingmag.com/>
- Baby loss Directory: babylossdirectory.blogspot.com/

A blog created and maintained by people who have experienced the loss of a baby through miscarriage, stillbirth, medical termination or infant death. Our goal is to maintain a current list of baby loss blogs, recommended related resources, and to post the most recent baby loss information.
